GIFT GUIDE

MINI GOLD PENDANT KIT

A SPECIAL GIFT FOR YOU.

You have been gifted a unique Loveprint Jewelry piece that starts with a fingerprint.

Fingerprints are one of a kind and can be preserved forever. Our pieces are created from a fingerprint impression taken in wax and then cast in sterling silver or gold. Each impression captures a moment in time ... creating a treasured keepsake.

Loveprint Jewelry is carefully handcrafted in the United States and stands on its own as a timeless family heirloom and treasure.
